

SCHOOL BUS

LEVELS 5 AND 6 VINYL

*Level #4 with fiberglass backing.
Level #5 with Kevlar backing.*

PreVaill School Bus upholstery has been designed and manufactured for school bus seating applications that demand durability, cleanability and flame-resistant qualities that may help save children's lives in the event of a fire or accident. PreVaill School Bus upholstery passes Motor Vehicle Safety Standard 302 (MVSS302) Flame Test for interior vehicle applications, making the product safer and more reliable.

CLEANING

Remove ordinary dirt and smudges with a mild soap and water solution and a clean soft cloth or towel. Dry with a soft lint-free cloth or towel. For more difficult stains, continue to the special cleaning instructions below. Do not use abrasive powder, steel wool, or industrial strength or solvent cleaners. The use of upholstery "conditioners" or "protectants" is not recommended and should be avoided on all PreVaill school bus, PreVaill, PreVaill AK and PreVaill with PreFixx upholstery products.
