

FREEDMAN®

BY **LIPPERT**

High-Back Design

Freedman
seats are APTA
White Book,
FMVSS, and
CMVSS
compliant

Quick-change inserts for
ease of maintenance

REVO

HEAVY DUTY BUS

The Revo seat is thinner, lighter and more economical than comparable seats; all without sacrificing the unmistakable quality inherent with Freedman seats. Revo offers a modern and dynamic look while being solid and modular. Its ergonomic shape is designed specifically with a lumbar curve, making it more comfortable. Freedman's REVO seat is appropriate to be used on shuttle, private or public transit buses, and more.
